Pawn Pawn's music rolls you into its depth and atmosphere with thoughtful, well-crafted lyrics and vocals that seduce you into submission. Both albums are available on vinyl through [Bandcamp](http://Bandcamp).

Pawn Pawn is: Liz Owens Boltz, Brandon Boltz, and David Daniel Smith. Hailing from Toledo, Ohio, the band has been playing in northwest Ohio since 2018 at venues including the Ottawa Tavern and Frankie's Inner City. Their debut album, *Bedtime*, was released in December 2018.

## PRESS

*"Bedtime came together as a synth-pop lineup of 80s nostalgia replete with ambient single-note melodies. If you aren't paying attention to the lyrics, you'll miss the dark elements in Bedtime, which balances its upbeat rhythm with a hard look at the reality of an uncertain future."*  
Erin Holden, Toledo City Paper - April 10, 2019
